

LIFTOFF! MODEL ROCKETRY IS PROUD TO PRESENT:

ROCKET BIRTHDAY PARTIES!

WE HAVE PUT TOGETHER WHAT WE BELIEVE IS THE MOST FUN, EXCITING, ONE-OF-A-KIND, ALL-INCLUSIVE, AND AFFORDABLE **BIRTHDAY PACKAGE ON THIS PLANET** (and maybe others!)

Your "BIRTHDAY ASTRONAUT" and his/her "CREW" will decorate and LAUNCH A FLYING SAUCER !

The Launch will take place in your cul-de-sac or yard, or other area that is free of wires, trees and cars. Flying Saucers do not need much room but the area needs to be clear.

A Liftoff! Rocket Scientist will attend to ensure that your Party is a *Blast from START TO LIFTOFF!*

RESERVE YOUR DATE NOW!

Summer parties can be midweek or weekend.

Please feel free to forward this email to anyone you know that may like to have a Rocket Birthday Party! These Fun Parties are available to all children ages 4 and up - not only our Liftoff! Rocket Club Families.
