SPANISH CLASS for KIDS

Instructor: Lorraine Vergara Tansey

505 Armor Knoll, Powder Springs, GA 30127
770-794-1948 lorraine@spanishclassforkids.com

What are the classes like?

*FLEX classes (Foreign Language Exploratory Program) used to promote familiarity with Spanish, introduce cultural awareness and lay the groundwork for future academic Spanish instruction. Classes are taught by a native Spanish speaker with teaching experience. Classes are 1 hour long per week for 14 weeks and will include a variety of teaching methods including: greeting/phrase time, with emphasis on proper pronunciation, vocabulary lessons, songs, storytime, games, videos, art projects, fairytales & culture. Each class will review previous material as well as introduce new material & each semester will end with a FIESTA! **Email** communication** with parents will be used weekly & reinforce lessons and provide the optional use of the internet as homework! All classes include vocabulary, grammar and phonics instruction. Classes are kept to a small size in order to allow for maximum teaching time.

How will my child get to and leave Spanish Class?

All k-2nd students will come to Spanish directly after dismissal assisted by an adult. These students can either be picked up by an adult at the Spanish classroom door or taken to ASP after class, as you designate. After each class, if there is no adult present for pick-up, the student will go into ASP.

3-5th grade students should be brought to and picked up from Spanish Class at the indicated times. If your child is attending ASP, he/she will be picked up from ASP and returned there after class. After each class, if there is no adult present for pick-up, the student will go into ASP.

How about the After School Program?

All students registered in Spanish are required to complete the ASP registration form which involves a \$10 fee. The daily cost of ASP is \$7.00 and will only apply to Spanish students who attend the ASP program before/after Spanish class.
